

Access Statement for Llain Delyn - The Cottage

Introduction

Please refer our comprehensive online information which will assist you greatly when combined with this access statement - this includes - video, photos, 360° virtual tours of each room, 3D and 2D plans.

Pre-Arrival

- Access to the Cottage is along a narrow single lane with good quality tarmac but very few passing places. You may be required to reverse up to a distance of 100 meters and around bends. You turn off the lane through the double-gated entrance, and onto the cobble drive which is shared access with White Beach Farm and White Beach Stud, and into the courtyard.
- Pubic transport (bus stop) is ½ mile away in the hamlet of Glanrafon at the bottom of a steep (17%) long hill. The closest rail station is in Bangor, 8 miles away. Local taxis are only on a limited availability basis.

Arrival & Car Parking Facilities

- The Cottage is approached from the courtyard. Luggage can be unloaded right outside the back door. Parking is 5 metres away on loose gravel. Access to the Cottage is from a loose 20mm gravel car park over a raised cobble step (height 40mm, depth 160mm) onto Riven (uneven) York Stone paving. Cars can park on the paving to unload. There is good quality lighting to the car park and rear entrance.

Main Entrance – Rear Door

- Access to both the side and front lawn is over a cobble step (height 140mm, depth 200mm at the highest point).
- Rear Porch and entrance - (width 870mm) with storage cupboards (height 1035mm at highest level) over a stone step (height 140mm, depth 380mm) then over the threshold (height 110mm, depth 160mm) into Kitchen (door width 777mm).

Laundry Room

- Laundry Room - accessed from kitchen (door width 765mm). Standard size washer/dryer. Fridge/freezer (total height 1760mm), freezer (height 930mm at highest internal part), (fridge height 1760mm at highest internal part). RCD fuse box (height 2130mm). Riven (uneven) Welsh slate flooring.

Bedrooms

- Bedroom 2 - accessed from dining room (door width 675mm), down step (height 40mm). Double bed (height 680mm), feather duvet and pillows with quality cotton sheets. Oak parquet flooring.
- Crog Loft - accessed from dining room via steep narrow staircase (tread width 465mm, depth 160mm, height between treads 145mm) with handrail either side of stairs (door width 630mm, limited head height 1515mm). Single bed (height 680mm) with feather duvet and pillows and quality cotton

sheets. Limited head height (2260mm at highest point to 550mm at bottom of eaves). Wooden floor.

- Master Bedroom - accessed via vestibule from dining room (door width 695mm). Double bed (height 630mm) with feather duvet, pillows and good quality cotton sheets. York stone flooring.

Bathrooms
